

Region II Teacher Night at Jefferson Lab

Virginia Region II Physical Science Teacher Night
for Elementary and Middle School Teachers

April 19, 2023 – 6:30 - 8 p.m.

*You can register for the event by visiting
education.jlab.org/teachernight/ by April 18*

Join us for an hour of demonstrations and door prizes and receive 1 recertification point! Teachers from JSAT (Jefferson Lab Science Activities for Teachers) will share science-themed classroom activities geared toward upper elementary and middle school students. Explore more than 50 teacher-approved classroom activities available on our website, complete with accompanying handouts, and bring the science into your classroom!

Activity Topics

Atomic Theory – Engineering Design Challenges – Exothermic Demos – Water Cycle – Friction – Energy Conservation – Electricity – Matter – Scientific Investigation – Science Games – Sound – Force & Motion – Periodic Table – Light – Solar System – Static Electricity – Renewable Energy – Compounds & Mixtures
